International Education Financial Aid (IEFA)	Master, PhD	An international financial aid and scholarship search resource rather than a single scholarship provider. Students can search for funding opportunities by destination, nationality, and study level. Eligibility and application deadlines depend on each listed scholarship; verify details with the original provider before applying.	Global	Read more
UNESCO Fellowships	Master, PhD	UNESCO lists fellowships supporting research, practical training, and academic development in its areas of focus. Eligibility, degree level, nationality, and funding depend on the specific fellowship. There is no single annual application deadline; individual calls set up their own dates, and some require nomination through a national commission.	Global	Read more
