

International course in Epidemiology, Biostatistics and Qualitative Research Methods (EBQ)

October 2023 – November 2023

Declarations by the Applicant

I, (name and surname), do hereby declare that what is stated in my application form is true to the best of my knowledge and belief. In the event I receive a scholarship, I declare to mention the VLIR-UOS as (co-)sponsor of the generated output, such as scientific articles, poster, interview, oral presentation, etc.

Signature of applicant

Date and place:

A scanned signature is allowed.

To be completed by the person granting permission to the applicant to travel (i.e. employer, promoter, professor, etc.).

Declarations by the Supervisor

*I, (name and surname) hereby certify that applicant
..... (name and surname) is granted permission to attend the EBQ
course from October to November 2023.*

I will provide a support letter as to support his/her candidacy.*

**** In the letter of support, the following issues need to be addressed: 1) the relevance of the EBQ course for the applicant and the institute, 2) confirmation that the applicant will return to his/her current position within the institute after completion of the course.***

Signature of supervisor

Date and place

A scanned signature is allowed.
