(De)Industrialisation and Supply chain governance in the construction sector in Africa's Great Lakes Region

Divin-Luc Bikubanya

October 16, 2024

Katana (1958)

: 45 Km from Bukavu, South-Kivu

Kabimba (1954)

: 60 Km from Kalemie, Tanganyika

Supply

Article 1: History of construction industry and urbanisation in Eastern DRC (2024-2025)

Article 2: Regional value chain of cement production (2025)

Article 3: Labor and investment in the construction industry (2025-2026)

Demand

Article 4: Domestic demand and role of cement in urbanisation (2026)

Article 5: Local impact of the construction industry (linkages) (2027)

Synergy D&D pro (2025-2027)

- Price of cement and immediate concrete quality
- Cement (refuge) value and long-term concrete quality (durability)
- Why is one type of cement preferred over another? (CIMERWA, GLC Katana, GLC Kabimba, etc.)
- People's perceptions of cement and alternatives to cement discourse
