STRATEGO Visiting Researchers Programme 2025

Deadline for applications: November 22, 2024

STRATEGO, the Jean Monnet Centre of Excellence at the University of Antwerp invites applications for its Visiting Researchers Programme 2025. Specifically, the programme is targeted at **early-career researchers** working within STRATEGO's areas of research and wishing to conduct a short research visit at University of Antwerp.

About STRATEGO

The STRATEGO Jean Monnet Centre of Excellence will develop interdisciplinary synergies on **EU governance, trust and sustainable development** at the University of Antwerp. STRATEGO brings together scholars from 7 research groups: Politics & Public Governance, International Politics, Government & Law, Department of Management, Plant & Ecosystems, Evolutionary ecology, and Centre for Health Economics Research & Modelling Infectious Diseases. Together, the STRATEGO consortium gathers complementary, high-level expertise and multidisciplinary competences in the area of sustainability, trust and European governance, allowing the Centre to develop synergies between the disciplines and resources in European studies at University of Antwerp. More details on STRATEGO and the consortium can be found on www.uantwerpen.be/stratego.

STRATEGO's Visiting Researchers Programme

STRATEGO aims to develop a joint research agenda on sustainability, trust and European multi-level governance with the purpose of generating knowledge and insights in support of EU policymaking. In this context, STRATEGO is committed to hosting external early-career researchers for short research visits of up to 2 months at the University of Antwerp. There will be a two-way transfer of knowledge between the visiting scholars and the STRATEGO Centre, benefiting from each other's expertise. Visiting scholars will be hosted by one of the participating research groups. STRATEGO will fund travel and accommodation costs up to € 1.600,00 for each of the selected candidates. STRATEGO will also offer office space and full access to campus facilities. Up to 5 candidates will be selected for a research visit.

Profile

- Applicants should:
 - a) either be in the final two years of their PhD trajectory (proven record of 2 years prior PhD research),
OR
 - b) have obtained their doctoral degree (PhD) at the time of submission and have obtained their PhD not earlier than 2016.
- You are preparing OR have obtained your PhD in one of the disciplines of the participating research groups (law, social science, political science, public administration, economics, biology, or health and medicine).
- Your current research activities are related to STRATEGO's theme of "Sustainability and Trust in EU Multilevel Governance" and matches the research agenda of one of the participating research groups.
