

Authorship Agreement Form

Adapted from: Agreed Record of Authorship Charles Sturt University & Authorship Agreement Form James Cook University

This form can be used as a record of the discussions of authorship during the collaboration (this may change over time) and as a confirmation of the final agreement of authorship on a research output. Always use the institutional Guidelines for Authorship as a basis for the discussions.

Date:	
Type of research output (e.g. refereed or non-referred journal article, books, other published material,...):	
(Working) Title:	
Description of the research output (the agreed expectations of the research output):	
Contributions (Both authors and other acknowledged as contributors):	
Agreed author order (clearly indicate senior, equal co-authors, corresponding authors in relation to the relevant discipline):	
Agreed contributions authors will make (record each author and their contribution in relation to authorship criteria, i.e. substantial intellectual contribution):	
Expected date/s for submission or publication:	
Expected places of submission/publication/communication:	
Author responsible for communication (publisher & between co-authors):	

Author Names, ORCID iD and Signatures	Substantial Contribution	Proposed Order
Name: ORCID iD: Signature:		

Acknowledgements <i>(Provide name and signature where possible/appropriate)</i>	Justification
Name: Signature:	
Name: Signature:	
Name: Signature:	

Acknowledgements of funding sources or other external assistance
(For the funding source, please use the dedicated project acronym, or the official project ID as given by the funder. Do *not* use an internal ID or code, f.e. contract number or budget code by UAntwerp.)
