

PRACTICE FACILITATION FOR CHRONIC DISEASES IN PRIMARY CARE PRACTICES IN BELGIUM

3 different delivery models

29TH WONCA EUROPE CONFERENCE

The Convention Centre Dublin
25-28 September 2024

THE PROBLEM

Primary care practices want to improve their chronic care organisation, BUT don't know how.

THE SOLUTION

A change program was created and delivered in 3 different models

THE STUDY

Evaluation through post-intervention surveys and in-depth interviews

Coaching

5 sessions in the primary care practice

Effective, intense, triggers

Time-consuming

Study day

Short video + 1 day lecture and workshop + follow-up mails

Reached many people

Less effective, enforced timing

Hands-on in-service training

3 days with lecture and workshop

Triggers, exchange

Enforced timing

Joint action cardiovascular diseases and diabetes
