

Model Timetable\* for international exchange students

## CHEMICAL ENGINEERING TECHNOLOGY

	MON	TUE	WED	THU	FRI	
8:30		1091FTIBCP 6-Bachelor's Project Chemistry including Internship	1091FTIBCP 6-Bachelor's Project Chemistry including Internship		2012FTIKOO II-Advanced Structure Determination	2019FTICWA II-Circular Water
8:45						
9:00						
9:15						
9:30						
9:45						
10:00						
10:15						
10:30						
10:45						
11:00		1091FTIBCP 6-Bachelor's Project Chemistry including Internship	1709FTIORG 4-Organic Chemistry		2023FTIARE II-Advanced Reactor Engineering	2024FTIDCP II-Digitalisation for the Chemical and Process Industries
11:15						
11:30						
11:45						
12:00						
12:15						
12:30						
12:45						
13:00						
13:15						
13:30						
13:45						
14:00		1091FTIBCP 6-Bachelor's Project Chemistry including Internship	1722FTIDEI 6-Design of Experiments and international Study Trip Practicum	1091FTIBCP 6-Bachelor's Project Chemistry including Internship		
14:15						
14:30						
14:45						
15:00						
15:15						
15:30						
15:45						
16:00						
16:15						
16:30	1722FTIDEI 6-Design of Experiments and international Study Trip	1091FTIBCP 6-Bachelor's Project Chemistry including Internship	1722FTIDEI 6-Design of Experiments and international Study Trip Practicum	1091FTIBCP 6-Bachelor's Project Chemistry including Internship		
16:45						
17:00						
17:15						
17:30						
17:45						
18:00						
					2000FTIMPR II-Master's Project Chemistry including Internship
