

Please submit this progress report to [PhD.GGW@uantwerpen.be](mailto:PhD.GGW@uantwerpen.be), 2 or maximum 3 years after the start of the doctoral research, and **upload it as an attachment in SisA**. This report is to prepare the committee members to your oral presentation. See also the [faculty regulations](#) (art 21-24).

### IDENTIFICATION:

NAME and first name : .....

E-mail : .....

Research unit/department/faculty:

.....

Supervisor(s): .....

Members of your individual doctoral committee:

.....

.....

.....

Degree, date and institution of last completed diploma:

.....

.....

Starting date of the research: .....

Title and/or purpose of the research project:

.....

.....

.....

.....

Funding of your research: .....

Date submission of progress report: .....

Expected submission of thesis (quarter/year): .....

**RESEARCH (PhD) (maximum 10 pages):**

**1. Introduction** describe the planned research and prove its relevance in your research unit. This should also be comprehensible for non-specialists

**2. Aims** describe the aims in your research

**3. Methods and general procedure** describe the used material and applied methods. If you plan to develop new techniques or already did so, please describe.

**4. Achievements** please specify if published (state references)

**5. Scheduled research experiments**

**6. Bibliography** mention about 10 key references in the research area

**ADDITIONAL REMARKS PhD-student:**
