Procedure for deregistration at the Antwerp city hall

Are you moving abroad? Then you have to inform the city hall of your change of address:

- at the earliest 1 week before your departure
- and at least 1 day before your departure

You can do this via the e-portal.

Have you already moved abroad, but not yet passed this on? Then you can still do so via the e-portal. You will then be debited on the date of your notification. Your move will not be registered retroactively.

The migration office processes your declaration and provides you with a certificate of departure or appendix 18 stating the right of return or proof of deregistration.

Are you leaving for abroad permanently? Then your electronic foreigner's card will be cancelled.

Are you going abroad temporarily? Then your electronic foreigner's card remains valid.
