Introduction

The University of Antwerp uses the Mobility-Online software to facilitate the process of applying for admission to degree programmes.

The admission procedure can be found on the website <http://www.uantwerpen.be/admission>. This user guide will help you to submit a valid application for a study programme at the University of Antwerp.

Mobility-Online guides you through all the steps of the application process and provides feedback by e-mail and via a workflow panel:

Mobility-Online will let you

- 1) register personal information and generate a user account for secure log-in
- 2) upload documents to support your application so that the academic evaluation of your credentials can start
- 3) track the evaluation process by the admission board
- 4) know when to send the legalised, and if applicable translated, hard copies for authenticity verification by post to the registrar's office
- 5) receive the results of the academic evaluation and of the verification of your documents
- 6) download a Letter of Acceptance if your application is approved

Important

If you are using the Mobility-Online application, we assume that you have read and understood all the information available on our admission-webpages <http://www.uantwerpen.be/admission>. If you still have questions about the admission requirements or procedure, please contact us through our international helpdesk <http://www.uantwerpen.be/helpdesk-international> before starting the application.

1. How to start the application and set up a Mobility-Online account

1. Go to our admission website: <https://www.uantwerpen.be/admission>
2. Under "Admission" select the level of the programme you wish to apply for: bachelor, master or advanced master
3. Carefully read the requirements
4. Under "Application procedure" you will find the link to the Mobility-Online application form.
5. Click on the link to start your application.
