GRAUWZUSTERS CLOISTER OF THE UNIVERSITY OF ANTWERP

The recruitment event and the kick-off meeting will be held in the **Grauwzusters Cloister** in the City Campus of the University of Antwerp. **Address**: City Campus - Building S, Lange Sint-Annastraat 7, 2000 Antwerp, Belgium.

The **Grauwzusters Cloister** is a building with a great history in Antwerp. Already in 1693, the 'Grey Sisters' settled in this neo-traditional and neo-Gothic style building to care for victims of the plague. In 1999, when the last sisters left the cloister, the building was purchased by the Flemish Community and later became part of the university premises. The cloister is located in the historical centre of Antwerp and the main train station (Antwerp Central Station) is within walking distance.
