Welcome to Cumulus Antwerp 2023, hosted by the Faculty of Design Sciences of the University of Antwerp in close collaboration with the Royal Academy of Fine Arts. The city of Antwerp represents an economic and cultural hive of activity. Concepts from avant-garde to conformism fashion, product design and new media have flourished in Antwerp. In line with the Cumulus Association's vision, we invite the Cumulus community, designers, artists, educators, and experts to address the value of Connectivity and Creativity in times of Conflict! **Let us connect** and provide resilience, consolidation, and innovation on a human scale!
