

Friday Lectures

Antwerp Tax Academy organizes Friday Lectures on 30 November 2018 and on 7 December 2018. These lectures take place from 14h00-16h00 at University of Antwerp - Stadscampus - auditorium B.002 - 2000 Antwerpen.

Tax consolidation: Belgium versus the Netherlands **Friday, 30 November 2018, 14h00-16h00**

Introduction: *Prof. dr. Anne Van de Vijver*, University of Antwerp

Speakers: *Mr. Ivo Van de Velde*, Tiberghien Lawyers & *Ms. Masoumeh Kangarani*, Atlas Tax Lawyers

The Belgian legislator has introduced a regime of tax consolidation in the Belgian corporate income tax. This Friday Lecture will discuss the new regime and critically compare this regime with the Dutch tax consolidation regime.

Taxation of cryptocurrencies: a comparative perspective

Friday, 7 December 2018, 14h00-16h00

Introduction: *Prof. dr. Anne Van de Vijver*, University of Antwerp

Speakers: *Prof. dr. Bart Peeters*, University of Gent & *Mr. Thomas Spaas*, Consysta, Belgian Bitcoin Association ASBL

This Friday Lecture will discuss the taxation of cryptocurrencies under Belgian income tax and VAT rules. These regimes will be compared with other approaches abroad.

Price: 125 EUR for two lectures, 75 EUR for one lecture. Free entry for students.

IAB, IGO and OVB have accredited both lectures for 2 hours / points per lecture.
