VENUE

THE HOF VAN LIERE – UNIVERSITY OF ANTWERP

Address: Prinsstraat 13, City Campus - 2000 Antwerpen, BELGIUM

The beautiful 16th-century Hof van Lierre and the adjacent historic buildings, which were constructed by the Jesuits in the 17th century, are an oasis of calm in the bustling city centre.

The central Hof Van Lierre, on the University of Antwerp's City Campus, belongs to Antwerp's cultural-historical patrimony. The regal building was built in 1516, commissioned by the Mayor of Antwerp at that time, Aert van Lierre. Antwerp was on the threshold of its 'golden' 16th century, a fact that is evidenced by this beautiful building in the Brabant Gothic style.

DINNER

Address: Torfbrug 10, 2000 Antwerpen

The consortium dinner is planned to take place in the 'Elfde Gebod', which is a unique culinary pub with a spectacular interior in the old town of Antwerp.

Surrounded by angel & saint statues, pulpits and several heavenly sacrilegious visual jokes, we will enjoy delicious local Belgian. For those lovers of Belgian beer, the 'Elfde Gebod' offers an enormous variety of famous beers, including those of local brewery De Koninck.
