

Creating Knowledge Together: a perspective on participatory research

Thursday, 18 September 2025

The future of participatory research at the university

Experiences of colleagues with action research,
co-creation, community-based monitoring, and more

How does the outside world view participation with
our university?

Parallel sessions

- Community Service Learning
- Participation in Citizen Science
- Methodology of participatory research

Lunch & networking

Campus Groenenborger

9:30am - 1:30pm

www.uantwerpen.be/creating-knowledge-together

Please register by September 11
