### Guidelines for the Supervisory Board meeting

Only supervisors and the Fellow Board representative shall attend the Supervisory Board meeting and no preparation is necessary.

### Guidelines for the scientific discussions

- **ESR fellows:** with a maximum of 10 slides, the ESRs shall present the status of their research in ~8 minutes to allow questions and answers within a 10-minutes time slot.
- **Chairs of the sessions:** without slides, the chairpersons will be responsible for moderating each session and ensuring adherence to the schedule, i.e. time keeping.
- **SB members not chairing the scientific discussions, EAB members and representatives of the partner organisations:** there is no preparation necessary.
