

Grow your network with purpose

Why are introverts better at building lasting networks? Why is faking it a bad strategy? What do extraverts have to learn to grow better relationships? In this workshop, you will learn networking strategies that you can personalize to enable you to your strengths and connect with people you actually like. You will learn how you can leverage LinkedIn to maintain and expand your network with purpose. How to start conversations that build real connections. During the workshop, we will put all the elements together into a plan that you can use to become a better networker, both as an introvert or an extravert.

Learning objectives:

1. How to grow your Network with purpose?
2. How to leverage LinkedIn to grow your Network?
3. How to make first contact in a comfortable and enjoyable way?

Target group
