

# Workshop

Rethinking Legal Research in and with Africa  
Legal Methods, Critical Perspectives &  
Decolonial Approaches in the Context of  
Human Rights & Sustainable Development

16 – 18 March 2026

Stadscampus, Venusstraat 23, 2000 Antwerp, Belgium

## Development of Key Research Skills

- Explore critical socio-legal methods for African law & development research
- Engage with leading scholars and peers
- Build international research networks
- Contribute to joint outputs

## Key Themes

- Law in books vs. law in action
- Local epistemologies & plural legal orders
- Decolonial perspectives in human rights & development
- Positionality & ethics in research
