Position

As a graduate teaching & research assistant, you will be part of the Temporary Assistant Academic Staff (Dutch: *Tijdelijk Assisterend Academisch Personeel*, TAM-AAP). You will support our faculty in course administration and teaching activities, and spend up to 50% of your working time to develop a research project in coordination with our professors.

Profile

- You hold a Master degree in Applied Economics or adjacent areas (also students in the final year of their degree can apply) or you will have obtained it by the time you start work.
- You can demonstrate excellent study results.
- Your research qualities are in line with the faculty and [university research policies](#).
- Your teaching competences are in line with the University of Antwerp's [educational vision](#).
- You are motivated to work actively on your further professional development.
- You act with attention to quality, integrity, creativity and cooperation.
- You have an excellent knowledge of both Dutch and English (both written and spoken).

What we offer

- We offer an appointment as a temporary teaching & research assistant for an initial period of 1 year (until 14 September 2025). We intend to open a vacancy for assistant academic staff with a 6-year time horizon from September 2025.
- Your gross monthly salary is calculated according to the [pay scale](#) for an assistant (Academic Assistant Staff, AAP).
- You will receive ecocheques, Internet-connectivity allowance and a bicycle allowance or a full reimbursement of public transport costs for commuting.
- The planned start date is **15 September 2024 (or as soon as possible after that date)**.
- You will do most of your work at the Stadscampus in a dynamic and stimulating working environment.
