To Mr. Alain DE BROWER
I D C.

Please , inform your Organisation, EEC, and your Country:

I have just got a telephone call from Bujumbura:

1. The situation continue to deteriorate.
2. The Soldiers have refused to return to the barracks saying that they cannot be ordered by a civillian.
3. The Inkotanyi are penetrating in the country to re-enforce the Tutsi army in killing the population.
4. They may attach to-night.

An immediate intervention from the International Community, particularly troops from CPEGL countries can save the life of many Hutu People.

Thanks for your
