

February 2017

BNP Paribas Fortis Chair @ European Shipping Week

On 28 February, during the EU Shipping Week, the BNP Paribas Fortis Chair Transport, Logistics and Ports hosts an event on the topic 'Ship finance in the Basel IV era' in Brussels. Contributions by the Royal Belgian Shipowners' Association, a French and an Italian shipowner, and the Universities of Athens and Antwerp have been confirmed. The event is accessible to all, free of charge, but requires registration.

Antwerp Rail School 2017: registrations open

TransportNET, in co-operation with Ricardo Rail, is proud to host the 5th edition of the Antwerp Railschool, taking place from 6-10 March 2017 at the University of Antwerp. Speakers from the TransportNET universities and other organisations will contribute through conceptual, framework and process inputs, whilst well-known rail (supporting) organisations will give practical, in-depth insights into their strategic decision-making.
