The Missing Es: Ethnomethodology, Ecological Psychology and Ethics
- 16:25-17:25 Louise Barrett
Why I'm not a cognitive ethologist

THURSDAY JUNE 28

- 9:15- 10:15 Michael Anderson
Neural reuse, dynamics, and constraints: Getting beyond componential mechanistic explanation of neural function
- 10:15-10:55 Matthieu deWit
An ecological neuroscience perspective on cognition and its instantiation
- 10:55-11:20 Break
- 11:20-12:00 Jelle Bruineberg
What is inside your head once you have figured out what your head is inside of
- 12:00-12:40 Vicente Raja-Galian
Predictive processing or the Dis-embodied Embodied Cognitive Science
- 12:40-14:00 lunch
- 14:00-14:40 Thomas Raleigh
Visual Acquaintance, Enactivism and the Explanatory Gap
- 14:40-15:20 Janna Van Grunsven

Reconceiving Cognition: Lessons from the Neurodiversity Movement
15:20-15:45u Break
15:45-16:25 Max Jones & Abby Tabor
Painful possibilities and predictive processing
16:25-17:25 Giovanna Colombetti
Conceiving and reconceiving scaffolded cognition
18:30- ... Conference BBQ

FRIDAY JUNE 29

9:15- 10:15 Rosa Cao
TBA
10:15-10:55 Adam Toon
Mind as Metaphor
10:55-11:20 Break
11:20-12:00 Samuel Taylor
Cognitive Natural Kinds, Explananda, and Explanation: A Plea for Instrumentalism
12:00-12:40 Edward Baggs
Methodological socialism as a post-cognitivist research strategy
12:40-14:00 lunch
14:00-14:40 Nathaniel Barrett
Reconceiving cognition as a form of self-organized, self-directed activity
14:40-15:20 Mason Cash
The Normative Context of E-cognition
15:20-15:45u Break
15:45-16:25 Jasper van den Herik
Reconceiving cognition requires rethinking language
16:25-17:25 Daniel Hutto
Beyond Content: Clarifications and Motivations
