Details regarding the “Doctoral Evaluation Committee”

The DEC is an internal meeting for PhD students associated with the WAKA network and their promoters. The purpose of the meeting is to for each student to give an account of the status of their PhD work, and for promoters and fellow students to discuss the work and give comments.

Students expected to present at DEC:

- Eshetu Lema (Ethiopia)
- Leah Nemarude (South Africa)
- Tiiti Teboho (South Africa)
- Neil Wood (South Africa)

Each student there will have **15 minutes** to give a presentation on the status of their PhD work + **15 minutes** for discussion and comments from promoters.
