Introduction

The University of Antwerp uses the Mobility-Online software to facilitate the process of applying for admission to degree programmes.

The admission procedure can be found on the website <http://www.uantwerpen.be/admission>. This user guide will help you to submit a valid application for a study programme at the University of Antwerp.

Mobility-Online guides you through all the steps of the application process and provides feedback by e-mail and via a workflow panel:

Necessary steps	Done	Done on	Done by	Direct access via following link	6 / 17

Mobility-Online will let you

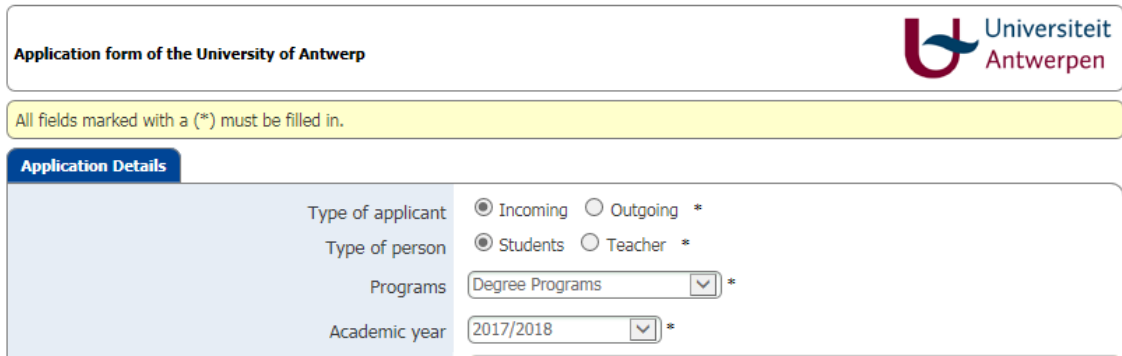

- 1) register personal information and generate a user account for secure log-in
- 2) upload documents to support your application so that the academic evaluation of your credentials can start
- 3) track the evaluation process by the admission board
- 4) know when to send the legalised, and if applicable translated, hard copies for authenticity verification by post to the registrar's office
- 5) receive the results of the academic evaluation and of the verification of your documents
- 6) download a Letter of Acceptance if your application is approved

Important

If you are using the Mobility-Online application, we assume that you have read and understood all the information available on our admission-webpages <http://www.uantwerpen.be/admission>. If you still have questions about the admission requirements or procedure, please contact us through our international helpdesk <http://www.uantwerpen.be/helpdesk-international> before starting the application.

1. How to start the application and set up a Mobility-Online account

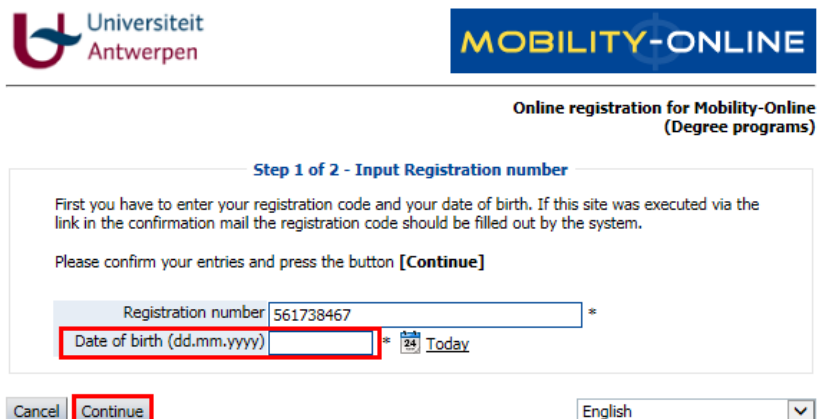

1. Go to our admission website: <https://www.uantwerpen.be/admission>
2. Under “Admission” select the level of the programme you wish to apply for: bachelor, master or advanced master
3. Carefully read the requirements
4. Under “Application procedure” you will find the link to the Mobility-Online application form.
5. Click on the link to start your application.

6. Fill in all required fields marked with a *. Please note that when you fill in certain fields the page will be refreshed and you may have to wait a second.
7. Proceed with your application by clicking the “Send Application” button. Use the “Cancel application” button to abort your application.

8. After you have clicked on “Send Application”, you will get a message informing you if the action was successful. You will also receive an e-mail with instructions about setting up a Mobility-Online account. Please note that all e-mails sent from Mobility-Online will have noreply@uantwerpen.be as the sender’s address. Check your junk mail folder if you don’t find the Mobility-Online e-mails in your inbox.
9. You will find a link at the bottom of the e-mail you have received. Click on this link to create a Mobility-Online account:
 - a. Enter your date of birth and click on “Continue”

- b. Choose a user name (Login) and password (the password must contain at least 6 digits, at least one number, at least one upper case letter and no special characters). Click on “Continue” to create your account.

Step 2 of 2 - Input User Name and Password

Now you have to choose your user name and your password.
If the username already exists please try another one.
Due to password security you have to enter the password twice.

Please confirm your entries and press the button **[Continue]**
